receive points corresponding to the percentage their scores are of
the winning score (eg. if the second place 40 meter entry is 85% of
the winner's score, second place receives 85 points.). In addition
to the above, a bonus of 50 points will be awarded to the club winner
in each category. Also, there is the Dave Baker, W6WX Cup for the
winning team.

The NCDXC 2 Meter net will probably be used extensively, for those
