Thank You!

My term as NCCC President comes to a close this month, so this will be my last contribution to the JUG. I've had a great experience during the last 12 months and want to thank my fellow Officers and Volunteers for their strong support and contributions. We've made good progress on recruiting & training new members, increasing contest participation, and promoting contesting in general this past year. Most of all, we've had a lot of fun together. It's been a privilege to serve as president of this fine organization. Thanks again to everyone for the opportunity!

Elections Are Coming

By John, K6MM

Annual elections will be held at the April 13 meeting, when we will elect a new Board of Directors. Whether it's being President, VP & Contest Chairman, Secretary/Treasurer, or one of the three Director positions, this is your opportunity to step up to fill a leadership slot in the Club. It's not only an opportunity to help to continue to provide vision and strategy for the future, but also an opportunity for your own personal development. Get involved – NCCC will benefit and so will you!

IDXC Meeting, Visalia, CA

By John, K6MM

This year for the first time at the International DX Convention (IDXC) in Visalia, NCCC is sponsoring a "Contest Academy" (CA) seminar. CA will be held on Friday, April 17, 2009 from 1:00 to 5:00 PM. The cost is \$10, which includes a Contest Resource Kit. As of March 20, 2009 fifty-nine folks have registered for CA.

In addition to CA, NCCC is exhibiting once again in the Main Exhibit Hall at IDXC. This is another great opportunity to promote contesting and provide a "meet-and-greet" location for IDXC participants. Finally, Jim (**K9YC**) and Dean (**N6BV**) are on the main program as featured speakers. All in all, it should be a great meeting for NCCC. Hope to see you there!

You can read more about IDXC on their website here:

John Marcus Ziegler, W6ZZZ (SK)

By John, K6MM

Our club was shocked and saddened to learn of Marc's sudden passing this month. At the March meeting, we paid tribute to Marc, who was a great contributor to the club over the years. Fellow KBers have used these words to describe him:

“Calm Voice Of Reason”
“Special Guy”
“Wonderful Person”
“Very Unique”
“Beyond Call of Duty”
“Tremendous Supporter”
“Full of Energy”
“Gifted”
“Generous”
“Always Upbeat”
“Incredible Volunteer”
“Invaluable Contributor”
“Selfless”

To further honor Marc, NCCC members used his name in the NA Sprint RTTY contest on March 14. His wife Sue plans on holding a memorial service on Saturday, May 16. Our prayers are with Sue and his family. RIP, Marc. You'll be missed.

Passing the Torch

I'm honored to have served as part of club leadership for the past two years. It has been a very satisfying experience for me, and I appreciate both the vote of confidence in giving me that responsibility and the support of so many of our members. One of our strengths as a club is our commitment to entrusting leadership responsibilities to different people each year, and to a Board of Directors comprised of both new members and old hands.

I'm especially proud to have served with this particular team, all of whom are committed to growth, to the enjoyment of our hobby, and to improving both our skills and our

stations. I want to thank the regional coordinators who did their part by encouraging participation by members widely separated by geography, the guys who showed up to help with antennas, to help members with new logging software and rig interfacing, to teach RTTY contesting, to mentor on operating skills, and to share their stations.

And I want to acknowledge the contributions of Tom Carney, K6EU, who as Secretary/Treasurer, went far above and beyond the call of duty to do virtually all the heavy lifting on multiple group purchases. I supported him a bit with the ferrites, and I know that Tom did far more, and did it very well. And when he wasn't doing that, he also chaired our very active antenna committee. Many thanks, Tom!

Finally, I'd like to encourage those of you with some time on your hands to step up and take a turn at club leadership. We need you, you will get plenty of support from your fellow KBers, and you will enjoy it! I certainly have.

Jim Brown K9YC
