

!!!!!!!!!!!!!!YOUR ATTENTION PLEASE!!!!!!!!!!!!!!

The FIRST meeting of 1989 will be held in San Francisco at Brook Byers (K4TKM) house. For those who fear navigation in the city don't panic. A map and directions can be found elsewhere in the JUG. Trust me it is going to BE FUN MEETING!

I was personally informed that there is plenty of parking and it should be no problem finding one unless you are driving a M60 tank!

Meeting will be held in the GAME ROOM. However, space is LIMITED to First 30 people to call Brook's answering machine (415 563-2430). A choice of POOL TABLE, PINBALL and TABLE SOCCER can be found in this room. Note that pinball machine does not take quarters, it is free!! Wow! When was the last time you had a free game on a pinball machine?! (I can see a pileup of bodies near that poor machine!!)

EVENING SCHEDULE:

COCKTAILS 6:30 PM; DINNER 7:30 PM; MAIN PROGRAM 8:30 PM

Main program is a slide show of K4TKM's operation of HV3SJ in 1988 CQ WPX CW.

IT'S SPRINT TIME!!!!

Bob, W6RGG, has done an admirable job of organizing past NCCC Sprint teams, but due to time constraints, he has passed along the job of CW Sprint coordinator to me, N1EE. Since there were no NCCC teams in Sept., I have put together team #1 by using the scores from Feb. 1988, except for those people who either were not on in Feb. but were on in Sept., and for those people who bettered their Feb. score in Sept.

Date- Feb. 5, 1989 (Sat. afternoon, Feb. 4 local time)
Time- 0000Z to 0400Z (4 pm to 8 pm local time)

NCCC #1

Call	Qualifying Score	Date of Score
WA6VEF	12,915	2-88
N6IG	12,788	2-88
N6BT	11,685	2-88
N6RO	11,046	9-88
W6OAT	10,619	2-88
N7NG	9,976	9-88
W6RGG	9,933	9-88
N1EE	9,389	9-88
AJ6V	9,213	2-88
K6XO	7,548	2-88

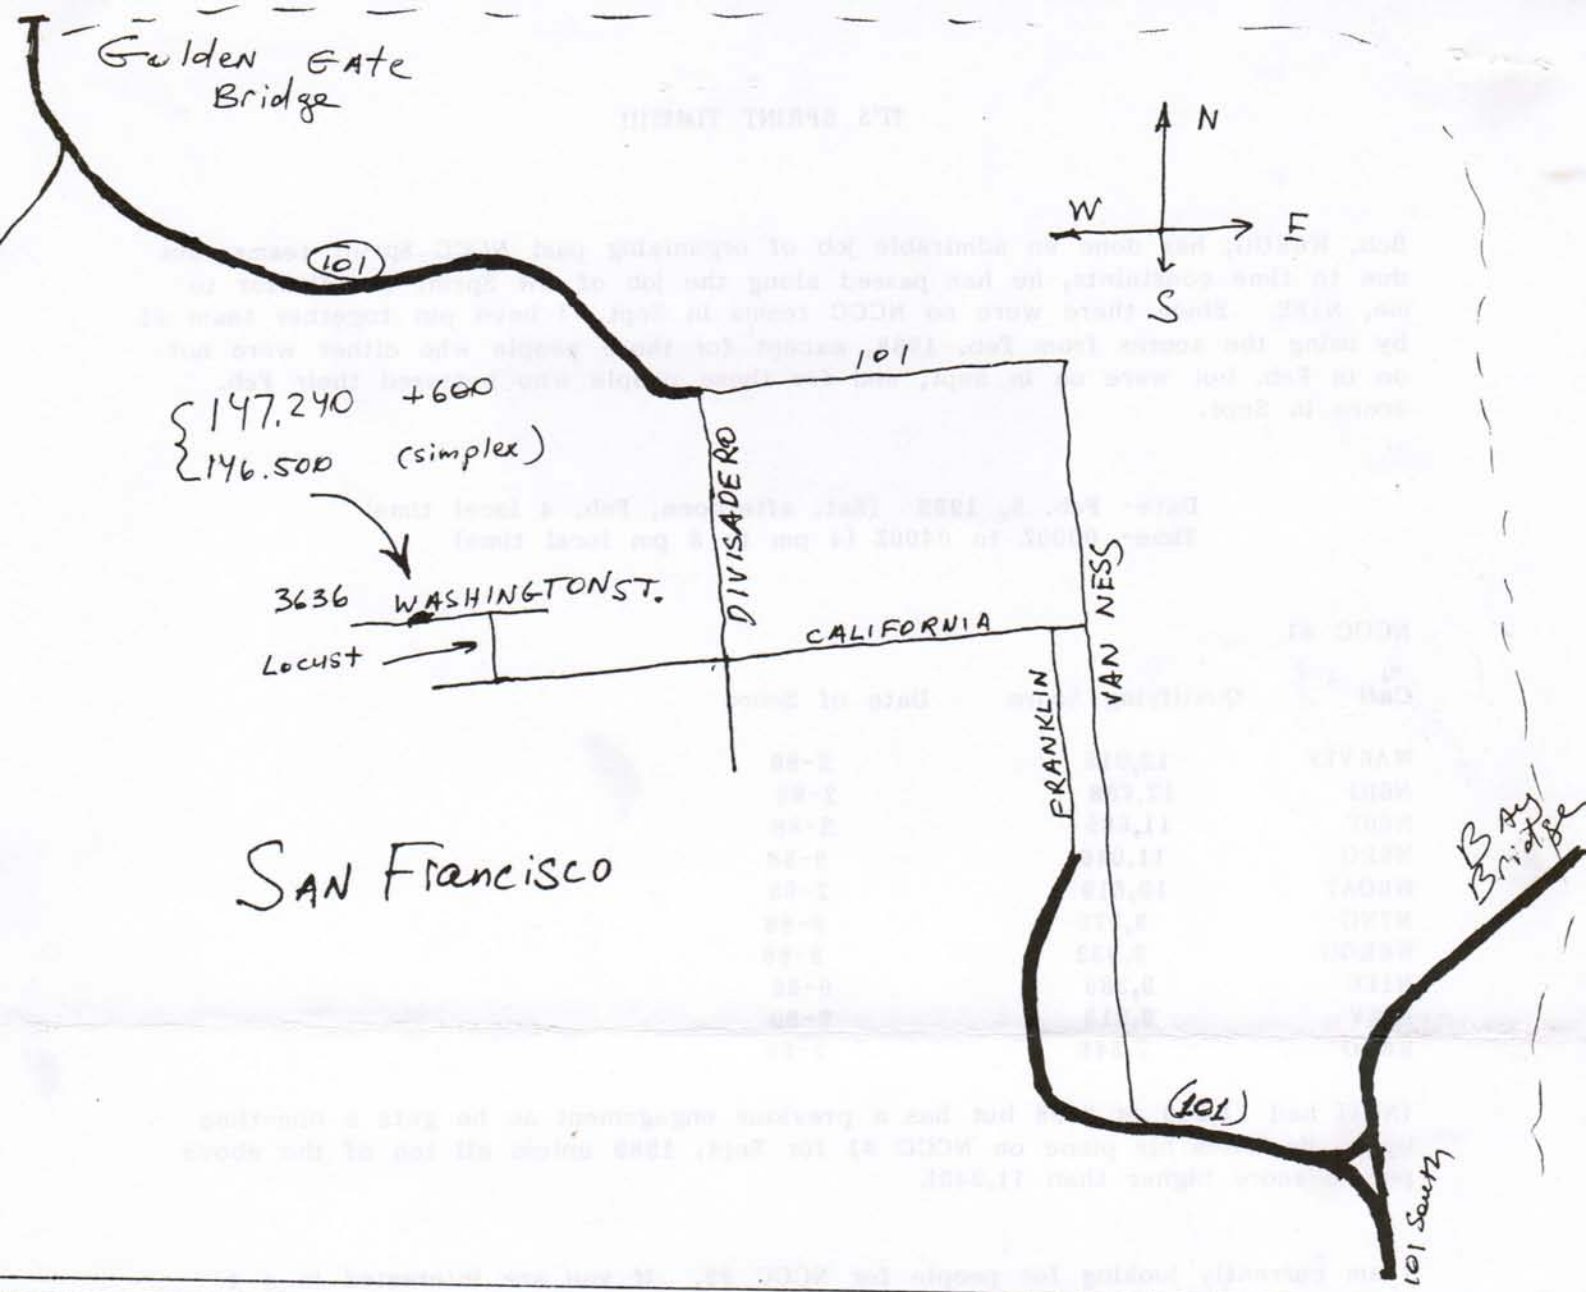

(N6XI had 11,040 in 2-88 but has a previous engagement so he gets a one-time bye. He holds his place on NCCC #1 for Sept. 1989 unless all ten of the above people score higher than 11,040).

I am currently looking for people for NCCC #2. If you are interested in a 4 hour cw contest that will truly test (and improve) your operating skills, give me a call.

This is for the CW Sprint. I have no idea who (if anybody) is organizing a phone Sprint team.
