NEXT MEETING - - Friday, August 20, 1971, 7:30PM at QTH of K6CQF.

Ken risks it all for the glory of the NCCC and the All Asia DX Contest! Ken is located at 1517 Pyramid Ct., San Jose, phone 244-0542. To get there, take Freeway 280 to Saratoga Avenue in Cupertino/Santa Clara. South on Saratoga about 1/4 mile and turn left on Payne Ave. Then Right on Aquino Rd. after about 1/4 mile, and left again at Carola Ave after another 1/4 mile. Three blocks down Carola you'll find Pyramid Ct., and Ken's antenna will stand out at the end of the short Court.

PROGRAM - - Final preparations for the All Asian DX Contest.

At the last NCCC meeting, contest chairman Ken, WA6DKF, appointed team captains to head up our effort in sweeping the All Asian DX Contest - yes, it can be done if we all get in and give it a try! Every member has been appointed to a team, with the winning team to take all.

To encourage single band entries, team scores will be computed using the multiplier system described in last month's jug - it's important that every band have several NCCC entries, as well as the multi-band entries. Remember, eight awards will be presented to those eight NCCC leaders - let's also take every one of the JARL awards for U.S.A.!

As a final reminder, the contest period is 1000Z August 28 to 1600Z August 29. Work Asian stations only, sending and receiving RST plus a two figure number denoting your age. (You can send 00, Dianne!) Multipliers consist of Asian PREFIXES - see last month's Jug for the full details.

NEW MEMBERS

The following contesters were voted into membership at the last meeting.

Welcome!

AND FINALLY - - Sorry, no contest calander this month - short of time, and it's too late in the month to be of much use anyway. Ex President Jim Neiger, W6BHY, has QSYed a few hundred miles south (see the membership list) and is hoping to create some noise in the months ahead from the likes of KB6 and VRL. Shades of ZD8Z!
