June, 1971 Issue #5

.....
NEXT MEETING - - Friday, June 4, 1971. 7:30PM at QTH of WA6BVY.

Fred. shipped along a map purporting to show how to get to his QTH, but I can't figure it out. You'll find a copy enclosed anyway! In words, Fred lives at 26835 Ortega Drive, Los Altos Hills, Calif. 94022. Phone 948-8493. From Page Mill (called Oregon Expressway near its intersection with Bayshore) take Deer Creek Rd. Take the first (and only) right turn onto Arastradero Rd. Take the second left onto La Cresta Dr. Take the second left again onto St. Francis Dr. Finally, take the second left again onto Ortega Dr. Fred is at the bottom of the street. If coming in on Foothill, take Arastradero to the west until you hit La Cresta Dr. Got it?

PROGRAM - - Famous Contester Returns from the Old Country.

Sound familiar? Yep, Al Higbie, DL4QQ/WA6PMK/WA6PMK/PX, etc. etc., is going to give it another try at getting to the meeting. He'll come primed with lots of juicy tidbits regarding Contesting from Germany.

BY-LAWS AMENDMENT - -

Secretary Vallio, W6RGG, has a decision to report on our recent By-Laws Amendment. Another reason to show up at Fred's place on the 4th.

FIELD DAY - -

Because of our late start on making Field Day preparations and the nearness of FD, there is, apparently, no formal, organized FD effort proposed by the NCCC. Maybe we can get things straightened out at the next meeting, but it doesn't look too promising. Greg, K6ERT, suffered extensive damage at his mountain property during a recent storm, so our intraclub competition scheme seems to have fallen through.

NCCC CONTEST RESULTS - - 4,551,182 points in the ARRL Test.

Contest chairman Ken, WA6DKF, passes along the following NCCC scores during the recent ARRL Contests.

	<u>CW</u>	<u>Phone</u>
K6EBB	1,864,000	
WA6BVY	1,485	358,716
WB6GFJ		1,479,924
K6ERT	732,920	
W6HRB		55,488
WA6DKF	34,465	21,384
	<u>2,635,670</u>	<u>1,915,512</u>
	TOTAL	<u>4,551,182</u>

Not bad for the first time out. Ken notes: "Although there is no club entry category, interest was expressed (with their entries) to provide for this in future CQ WPX contests by WB6GFJ (1,117,398 points) and WA6DKF (meager 75M score)."
