

THE CONTEST JUG

Uncorked Occasionally

for the

NORTHERN CALIFORNIA CONTEST CLUB

January, 1972 - Issue #9

NEXT MEETING - - Friday, January 7, 1972, 7:30PM

The next meeting will be held as above at the Great Western Savings and Loan Assn., 2400 Broadway, in Redwood City. I can't possibly describe how to get there, and suggest therefore that all members planning on attending get a good map and study the situation over ahead of time. Yes, this is the place our last meeting was held, at which time half the membership were lost on the way. Good luck!

PROGRAM - - Double-barreled Attraction.

Jim, W6CUF, is scheduled to give a talk on contest ethics, with special emphasis on the up-coming ARRL contest. For those who are still awake after it's over (the talk) Tom, W6NUT, has slides from the XELKS/2 Expedition. Final results aren't in, but it is thought that in spite of the power leak and the lobster tacos, the gang came in with 2.7+ million for our first effort in the CQ contest from a DX location.

ELECTION OF OFFICERS - - January 7 meeting.

In addition to the entertainment at the next meeting, we have election night. Come prepared to nominate and vote for your favorite candidates.

MEMBERSHIP RENEWAL

The time has come to renew your NCCC membership. Although we pay no dues, it is mandatory that each member demonstrate each year his continued interest in the NCCC and his continued activity in contests. The renewal sheets also serve the purpose of providing a record from which membership awards may be selected. Your yearly renewal and activity sheet is attached. Ken Keeler has requested that the sheets be returned to him no later than January 15, at his home address given on the renewal sheet.
