### PRESIDENTIAL PROCLAMATION

Season's greetings to all of you from the NCCC BoD! Now that the '77 SS is behind us and CQWW and 160 have gone by, we turn our sights to the 1978 New Year. A good part of our aiming in 1978 will be from the response to the questionaire enclosed. Please let your own voice be heard and return it ASAP.

It was once said that, in mathematics, two plus two is always four, but that in politics two plus two rarely does equal four. Such seems the case with ARRL Club Competition politics. Some of you will recall that the CAC was asked by the Directors to make recommendations for possible new directions concerning Club Competition. The CAC responded recently with an intelligent approach, suggesting three levels of entry: large, medium, and local clubs. One Director, however, felt that he had more insight than the CAC and came up with his own proposal, which he apparently will present at the ARRL BoD meeting in January.

Mr. Wicker, of the Roanoke Division, uses the terms "Paper Club," "True Blue," and "Neighborhood" to describe his club definitions. The "Paper Club" is one that has unlimited membership and a radius of 175 miles (this is the current ARRL

Ah, the sweet smell of success.

tions, I think we did it again!"
We had 22 NCCCers who made over 1000

Os on phone, and there were 21 Clean Sweeps during the weekend. Our Club score for the Phone weekend totals about 6,856,000, with 8 scores still needed. Added to our 5,400,000 on CW, we're well

over the 12 meg mark!

Be sure to receive the recognition you earned in the SS at this year's Christmas /Awards banquet to be held at the Athens Restaurant in San Jose on December 17th. Cocktails are at 6:30 p.m., and dinner will be served starting at 7:15 p.m. Make your reservations either through UB6DSV (739-4233) or WA6VEF (538-0520). The steak dinner price is \$9.00, including tax and tip. Don't miss it

ing tax and tip. Don't miss it!

Remember, your SS score means nothing if you don't send it in. Every point increases our NGCC total, so please mail it postmarked no later than December 26th, no matter how large or small the score is. Also, please send copies of your summary sheet(s) to either WA6JUD or WA6VEF.

definition of a club). The "True Blue" has a radius of 50 miles. "Neighborhood" is neighborhood. An interesting thought to keep in mind is that the farthest PVRC member is within 48 miles of the club's geographical center. There could also be some innuendos expressed here about the relationship of former PVRC members/officers and Roanoke Division, and comments made by many current members/officers of PVRC.

Mr. Wicker's blatant name-calling does not leave any room for error. It is obvious that all of us as MEMBERS OF A BONA-FIDE ARRL GLUB must take exception to this libel and write to our own Director and also to the officers of the ARRL. We all know that the NCCC is, and never has been, anything other than a REAL club. It's interesting to note, also, that even though PVRC has about 200 members (about 40 more than us), their average meeting attendance, even with everyone within 50 miles, runs only about 50. Ours is on par with that, and we have some super members who drive a long way to be at the meetings.

NCCC had Bob Flansberg, W6LH, and George Varvitsiotes, WB6DSV, at the ARRL Director's meeting on December 10th. Let us all follow through, though, and write our own opinions. It must be that the "EAST COAST PROPOSAL" is an attempt to put the NCCC in a competition category of its own. Maybe, just maybe, your performance in SS showed them that we are already in an operating class of our own. Let's not let them use politics to re-

Place competitive spirit.

See you at the spectacular Christmas
Banquet--guaranteed to keep you awake and

the ladies happy!

CONTEST CONVERTS

Say hello to these new NCCC members:

TURN IN YOUR LOGS! The SS contest may indeed turn out to be a contest to see who turns in the most logs. Let's make NCCC Number One in that event. December 26th is the postmark deadline.

The ARRL DX Contest season is just one month away. Let's get together and decide what we want to do and whose butt we want to kick. The attached questionaire is one opportunity for you to express

your views and ideas.

Everyone, please check your Club roster and verify that your information is correct. Submit any corrections and additions to me, N6TU, by January 10th. A new roster for 1978 will be published soon thereafter containing addresses and phone numbers for new members, as well as corrections to the present roster.

Reginning in January, I propose that the Maxi-tests be continued as before. However, the new Maxi will be a series of contests with each test counting toward an overall standing. Entrants compete for the whole year in once-a-month installments. The rules will be sent to the NCJ, and a letter will be sent out to other contest clubs. Look for complete rules in the next JUG.

For those of you who K'ed B in the 160 and 10 Meter contests, hope you had fun.

K6HNZ Ken Ruddock 13023 LaCresta Drive Los Altos Hills, CA 94022

Kip, W6SZN, is 30 years old and has a General Class license. Licensed for 7 years, his station includes a Ten-Tec Argonaut and amplifier, various QRP transmitters, a 4BTV vertical, and dipoles. Kip operates 99% CW and 1% phone, and has been in SS, ARRL DX, All-Asian, and various QRP contests.

Eric, WD6DBM, is 22 and holds a Novice ticket. Station gear includes an HW-16 w/VFO and an HW-101. Eric operates 30% CW and 70% phone, rather impressive for a Novice who doesn't own a CB radio. He helped out at the N6KT phone effort in

the '77 COWW.

WB6FCR, Al, is 29 and has an Advanced ticket. He uses an FT-101E and FL-2100B, with verticals and dipoles for antennas. Operating 75% phone and 25% CW, Al's contest experience includes ARRL DX, CD Parties, CQ WPX, Sweepstakes, and Field Day.

Information on K6HNZ is not available as Sec/Treas WA6DGX is in possession of his membership application. Ken managed to make about 725 QSOs in the Phone SS this year.

#### NCCC NUMBER ONE IN BACKPACKING

News items and information: "The First Annual NCCC Backpacking Trip" is now in the planning stages. If you're interestin going on the trip (which will probably be made in May or June), contact expedition leader WIARR, Bob, at 415-752-4164. Note that this phone number, not the one printed in the roster, is Bob's correct number....N6CY spent the last week of November at the 4H National Convention in Chicago after being selected a National winner in the 4H Electronics program. Rick also received a \$1000 college scholarship in recognition of his achievement .... W6RGG will have a "KB-2000" Award trophy at the Christmas Banquet .... Bob also reports that those who ordered Club badges will be able to pick them up at the Banquet .... Congratulations to W6JZU for his recent election to the Vice-Director position of the ARRL Pacific Division.....WA6VEF has won 1st Place, both modes, of the US entries in the 1977 Can/ Am Contest. W60KK finished 6th on phone. and W6BIP placed 10th on CW....
